NEW PARTY NAME RAISES PROTEST

(Associated Press Cable)
SAN FRANCISCO, July 19.—As a counter to the move made by Governor Johnson the Taft leaders in California today announced that they will in future call themselves "Progressive Republicans." The Roosevelt men are calling themselves "Roosevelt Progressives," which is the name Governor Johnson is insisting upon tagging the bolters in this state.

The Roosevelt people are up in arms at the proposed alterations in the title adopted by the Taft leaders. They declare that it was done for the express purpose of confusing people and switching votes.

NEW WARSHIP MAKES FAST RECORD TIME

ROCKLAND, Maine, July 19.—The new super-dreadnought Wyoming, the most recent large addition to the American navy, today completed her speed trials. She made the wonderful feat of 22.045 knots per hour, establishing a record for her class. It is believed she will better this materially when her engines are shaken down.

CHARGES THAT JUDGE KNEW OF CONFESSION PLOT

LOS ANGELES, California, July 19.—Lincoln Steffens, reformer and well-known author, testifying in the Clarence Darrow bribery case, provided another sensation in court today when he declared that Judge Walter Borwell, who presided at the trial of the two McNamoras, had advance knowledge that the brothers were to confess to the blowing up of The Los Angeles Times.

According to the statement made by Steffens in response to questions asked by the prosecution on cross-examination the magazine writer had fully explained the full confession and the terms on which it was to be made in Judge Borwell's rooms in the Pacific Club.

The terms which Steffens said the McNamoras had requested were that the indictments against the elder brother, J. J. McNamara, international secretary of the Structural Iron Workers' and Bridge Builders' Union should be dismissed in return for the confession of guilt by the younger brother, J. B. McNamara.

MIKADO REPORTED AS SERIOUSLY ILL

TOKIO, Japan, July 19.—The Mikado is reported as being seriously ill. Stomach trouble is said to have brought his Majesty to the verge of death. Today he was unconscious all day.

TO SIGN TREATY.

ST. PETERSBURG, Russia, July 19.—Nothing but the signatures of the Emperor and his ministers remains to complete the defensive treaty which has been practically under negotiation between Japan and Russia for months. It is believed that the signatures will be added today or tomorrow.

PROGRESSIVES REFUSE TO FOLLOW ROOSEVELT OUT OF REPUBLICAN RANKS TO THIRD PARTY

Leaders Say Cannot Go to the Lengths Colonel Is Demanding

DIXON'S TELEGRAM STIRS UP MUCH DISCUSSION

Teddy's Manager Again Brings Up Charges of Political Theft

BY C. S. ALBERT.
(Special Star-Bulletin Correspondent)

WASHINGTON, D. C., July 11.—Progressive Republican Congressmen will not follow Colonel Roosevelt out of the party. Many of them agree with him as to policies but they have too much at stake to throw themselves out of the breastworks. Senators Poindexter, of Washington, Dixon, of Montana, are the only out and out Roosevelt men in the Senate, and Representatives Curry, of New Mexico; Kent, of California, and LaFollette, of Oregon, in the House. All except three or four senators will decline to join the Roosevelt third party movement, two or three will support "Roosevelt electors" in their States, claiming that Roosevelt is the "regular nominee" of the Republican party.

As a cunning old mule shies around a hole in a bridge, the wise insurgents of the Republican party dodge the third-party band wagon.

Senator Joseph M. Dixon, pre-convention campaign manager for Colonel Roosevelt, is the only senator who seems to be enthusiastic over the Roosevelt plan.

Representative Curry, of New Mexico, who was a Rough Rider in the Spanish-American war, is the only representative of the House who has shown a real desire to line up with the Colonel.

Don't Want Third Party.
Senators LaFollette, Gronna, and other leading progressive Senators have made formal statements disavowing any purpose to take part in the organization of a third party. These Senators may not declare for Taft, but they have made it plain that they do not think it wise to start a third party.

Senators Borah, of Idaho; Jones, of Washington; Kenyon, of Iowa; Brown, of Nebraska; Gronna, of North Dakota; Cummins, of Iowa, and La Follette, of Wisconsin, will stick to the old ship, and try to wrest it from the hands of the reactionaries who now man it.

Senators Bourne, of Oregon; Eristow, of Kansas; Crawford, of South Dakota, and Clapp, of Minnesota, may go with the people back home. Senator Poindexter, of Washington, will campaign for the Roosevelt electors in his state. Senator Dixon, of Montana, will lead the fight for Roosevelt. Senator Works, of California, will not take any part in a Roosevelt convention.

Roosevelters Dwindle.
The number of republican congressmen who would follow Roosevelt "wherever he leadeth" is growing smaller every day. A few bold statesmen, who were inclined to like the

third party idea at first, now have cold feet.

Without the support of such men as Senators Borah, Gronna, Cummins, LaFollette, and Kenyon, and Representatives Cooper and Leinroot, of Wisconsin; Norris, of Nebraska; Carey, of Wisconsin; Helgesen, of North Dakota; Haugen, of Iowa; Hayes, of California; Kendall, of Iowa; Wilson, of Illinois; and La Follette, of Washington, Colonel Roosevelt's party will not get far.

Representative Lindbergh, of Minnesota; LaFollette, of Oregon, and Kent, of California, stand with Curry, of New Mexico, for Mr. Roosevelt.

As To The Call.
Senator Dixon, who is with Colonel Roosevelt in New York, precipitated third-party discussions among insurgent republicans by calling upon them to help advance the movement. The following telegram, sent out from New York last week, by Senator Dixon was received by Senators and Representatives.

"It is proposed to issue the call for the National Progressive Convention to meet at Chicago about August 10. The call will in substance state that we ask all men to join the movement who believe in the genuine rule by the people over their own governmental agencies, who believe in social and industrial justice and the abolition of privilege, especially in connection with the alliance between corrupt business and corrupt politics; who believe that stealing is stealing, whether in business or in politics, whether on a large scale or on a little scale; who believe that the people themselves, and not merely the machinery, constitute a party; who believe that the power of the bosses over machinery of both the old parties is such that the triumph of either means merely the substitution of one set of bosses and machinery for another set, while leaving special privilege entrenched just as strongly as ever. The call will be issued within a day or two. Have you any suggestions?"

Most of those who received the Dixon message "suggested" that the third-party movement be abandoned. In clear-cut statements saying that they will not support such a movement, at least five Senators stated their positions.

Poindexter's Position.

Senator Poindexter made the following statement, giving his position:

"In our State the Republicans indorsed, in the regular way, Colonel Roosevelt. They elected a Roosevelt delegation to Chicago, but a reactionary national committee refused to seat the delegates. The Republicans of Washington will nominate and support Roosevelt electors, regarding Mr. Roosevelt as the real choice of the party for the presidency.

"In my opinion Roosevelt will carry nearly all of the Republican States. It is doubtful if Taft will carry more than three, and they will be small ones."

"The Progressive Republicans of my State regard Roosevelt as the nominee of the party. In supporting him we are regular. Roosevelt was the choice of the people as shown by pre-convention primaries, but was prevented from getting the nomination by hold-over committeemen, many of whom had been repudiated in primaries before the Chicago convention met."

In Kansas and South Dakota Roosevelt men in charge of the State conventions nominated Roosevelt electors. Senators Bristow and Crawford will be influenced by the action of their State conventions. Neither Mr. Bristow nor Mr. Crawford is ready to state his position.

Senator Bourne was defeated at the recent primaries in Oregon and will retire when his term is out.

Senator Dixon is out of line with the party organization in Montana, and is in a desperate fight for his political life.

Clapp for Roosevelt.
Senator Clapp, who will make his position clear later, will help Roosevelt. He has told friends that he would support the Colonel.

"There is no necessity for another party," said one of the leading progressive Republicans of the Senate today. "The insurgent Republicans have accomplished much inside of the party, and will accomplish more. We have licked the reactionaries. Taft and his followers are dead. They had the machinery at Chicago, but we killed them. That was the last stand they will ever make. The Progressives will dominate the next convention. I shall not support a third party movement."

Very few of the progressive leaders want to be quoted, but their minds are made up, and they will not encourage the Roosevelt plan for a new party.

Statements from a half dozen Senators, among them, La Follette and Gronna, have cleared the atmosphere about the Colonel's head.
